Shopmobility

NORTHERN IRELAND

Welcome to our Shopmobility NI Directory

Shopmobility Committee members, Staff, and Volunteers have one collective aim: To provide a high quality service to members in the community with mobility problems and help improve their quality of life.

Making a Difference!

The feedback received from members around the region represents individual stories of how using Shopmobility services enabled people to meet up with friends, go shopping, and participate in local activities, fairs, fleadh and festivals; showing how valuable Shopmobility services are in the community. Demand for Shopmobility services has grown considerably in the past year.

To enquire about membership and services available anywhere in Northern Ireland, check out this directory and find your nearest scheme. Make a call, or email your local scheme, we look forward to welcoming you on board with us in the near future.

We would not be able to provide all of our services without the support of The Department for Regional Development (DRD) this funding enables us to maintain these vital community services around the region.

Paula Martin
Chairperson SNI

SHOPMOBILITY NORTHERN IRELAND (SNI)

Shopmobility provides increased independence and freedom to anyone with reduced mobility who needs a little extra help getting out and about, at home, around town, and even while on holiday!

There are 13 Shopmobility schemes across Northern Ireland with over 500 pieces of equipment on offer to meet a wide range of individual mobility requirements. These include; Powered Scooters, Manual and Electric Wheelchairs, walking aids and other accessories.

Some schemes provide 'Meet and greet' and 'Assisted guide' services, many provide advice and signposting on mobility related matters. Contact your local scheme for further information

For any general queries about the network, contact the SNI Network Officer.

Shopmobility N.I (SNI) Network

The SNI Network was formed in 2004, and is made up of representatives from every Shopmobility scheme in Northern Ireland. The network provides:

- Support for existing and emerging schemes.
- Governance and operational support, development of opportunities for funding and the expansion of services.
- Networking opportunities and promotion of best practice.

Shopmobility is highly regarded by many as a vital and final link in the transport chain for people with mobility problems and physical disabilities.

Key to Symbols

This shows that the scheme meets the criteria set down by the Department for Transport. They are:

1. The scheme should be open to all people with a disability, whether temporary or permanent, regardless of their place of residence.
2. The scheme has manual and powered wheelchairs and scooters.
3. (a) Car parking should be available at no more than 40 metres;
(b) Car parking should be provided for Blue Badge holders and non Blue Badge holders who use the scheme.
4. The scheme operates for at least four hours on normal shopping days, excluding Sundays.

The scheme provides manual wheelchairs

The scheme provides powered scooters

The scheme provides powered wheelchairs

All equipment must be booked in advance

There is a membership charge made for hire of equipment

The scheme can provide escorts to assist you around town

The scheme can provide escorts trained to accompany people with visual impairment

The scheme can provide long term loans

The scheme has parking close to the office

The scheme has an accessible toilet facility

The scheme may have parking available for blue badge holders who do not use the scheme

These details are as a guide only, and schemes should be contacted directly for details of services available from them.

Department for Regional Development

The DRD currently provides financial support for Shopmobility schemes in Northern Ireland. The Department has published a guidance document, called “How to Prepare and Apply for Funding for a Shopmobility Scheme”.

If you currently operate or are interested in operating a Shopmobility scheme and think you may be eligible for funding, please contact the Department or complete the application form in the guidance document available online via the links on this page.

The Department also funds an umbrella group in Northern Ireland called “Shopmobility NI”. The aim of this group is to encourage and support existing and new schemes, through networking, information, training and exchanging news and views. Anyone wishing to have more information on the umbrella group or Shopmobility in general should contact Shopmobility NI on 07934 190 242, or view the website at:
